

## 10. Term Relationship Form Instructions

- ① Enter the terms that you selected in Form 9: Term Selection Form as A, B, and C. For these three terms connect each group of two: A and B, B and A, B and C, C and B, C and A, A and C. For each of these groups you will do the same thing. We will proceed with group A & B in this explanation.
- ② Without considering the meaning, enter term A and term B into the blanks.
- ③ Rearrange the sentence you created in step ② so that it reflects your felt sense.  
<Language specific material>
- ④ Write down freely your reasoning or anything you realize in rearranging the sentence. Underline anything that you feel is important.
- ⑤ Without considering the meaning, enter term B and term A into the blanks.
- ⑥ Rearrange the sentence you created in step ⑤ so that it reflects your felt sense.  
<Language specific material> This time try to make the new sentence mean the same thing as last sentence. If you can't do this well, go back to A & B and rearrange that sentence so that you can.
- ⑦ Write down freely your reasoning or anything you realize in rearranging the sentence. Underline anything that you feel is important.
- ⑧ Do the same with the remaining groups.
